Why fly at all on 9th & 12th? Why not leave Dakota at Delhi between the two dates? What is the cheaper alternative?
CS 29/4

Sir,

Please note that the Dakota is flying empty from Delhi to Bangalore on the 9th May and from Bangalore to Delhi on the 12th May. (Please note change in flight programme.)

I suggest we send out a Circular to all the officials in the Mysore Government Service stating they can travel in the Dakota on these flights on a nominal payment of Rs.150/- per head which money will go towards the maintenance of the Dakota.

A similar circular may be sent to Madras Government also.

However, it must be clearly understood that the plane is not flying on'hire or reward basis' and this is purely a private understanding for the benefit of the two neighbouring Governments.

If my suggestion is approved you may send out the Circular properly worded immediately.

It is understood that the flight may be cancelled or postponed due to reasons beyond our control and no damage will be borne by us.
